Populations enrolled: Notes on enrollment choice period	All Fully Dual Benefit Eligible (FDBE) beneficiaries (i.e., those with Medicare and eligibility for full Medicaid benefits) qualify for a Special Election Period (SEP) under Medicare rules. This SEP allows them to enroll, disenroll, or change plans once per quarter without cause for the first three quarters of the calendar year. The standard rules then apply to them during the Annual Enrollment Period. This is true of all beneficiaries eligible to enroll in a FIDE SNP in New Jersey, as our enrollment standards require all enrollees to be QMB Plus or otherwise FDBE.
