Maureen Corcoran
Director
Ohio Department of Medicaid
50 West Town Street, 4th Floor
Columbus, OH 43215

Dear Maureen Corcoran:

In accordance with 42 CFR 438.6(c), the Centers for Medicare & Medicaid Services (CMS) has reviewed and is approving Ohio's submission of an amendment for delivery system and provider payment initiatives under Medicaid managed care plan contracts. The amendment was received by CMS on February 23, 2023 and has a control name of OH_Fee_Oth2_Amend2_20220101-20221231.

Specifically, the following proposal amendment for delivery system and provider payment initiatives (i.e. state directed payment) is approved:

- Uniform percentage increase for HCBS and personal services care established by the state utilizing 9817 American Recovery Plan (ARP) funding for the rating period covering January 1, 2022 to December 31, 2022 incorporated in the capitation rates through separate payment term of up to \$66,384,000.

This approval letter does not constitute approval of any Medicaid managed care plan contracts or rate certifications for the aforementioned rating period(s), or any specific Medicaid financing mechanism used to support the provider payment arrangement. All other federal laws and regulations apply. This approval letter only satisfies the regulatory requirement pursuant to 42 CFR 438.6(c)(2) for written approval prior to implementation of any payment arrangement described in 42 CFR 438.6(c)(1). Approval of the corresponding Medicaid managed care plan contracts and rate certifications is still required.

The state is always required to submit a contract action(s) to incorporate the contractual obligation for the state directed payment and related capitation rates that include this payment arrangement.

Note that this payment arrangement and all state directed payments must be addressed in the applicable rate certifications. Therefore, CMS strongly recommends that states share this approval letter and the final approved preprint with the certifying actuary. Documentation of all state directed payments must be included in the initial rate certification as outlined in Section I, Item 4 of the [Medicaid Managed Care Rate Development Guide](#). The state and its actuary must ensure all documentation outlined in the Medicaid Managed Care Rate Development Guide is included in the initial rate certification. Failure to provide all required documentation in the rate certification may cause delays in CMS review. CMS is happy to provide technical assistance to states and their actuaries.

As part of the preprint, the state indicated that this state directed payment will be incorporated into the state's rate certification through a separate payment term. As the payment arrangement is addressed through a separate payment term, CMS has several requirements related to this payment arrangement, including but not limited to the requirement that the state's actuary must certify the aggregate amount of the separate payment term and an estimate of the magnitude of the payment on a per member per month (PMPM) basis for each rate cell. Failure to provide all required documentation in the rate certification may cause delays in CMS review. As the PMPM magnitude is an estimate in the initial rate certification, no later than 12 months after the rating period is complete, the state must submit documentation to CMS that incorporates the total amount of the state directed payment into the rate certification's rate cells consistent with the distribution methodology described in the initial rate certification, as if the payment information (e.g., providers receiving the payment, amount of the payment, utilization that occurred, enrollees seen, etc.) had been known when the rates were initially developed. Please submit this documentation to statedirectedpayment@cms.hhs.gov and include the control name listed for this review along with the rating period.

The total dollar amount approved for the separate payment term for this state directed payment is \$ \$66,384,000 within the MyCare Demonstration managed care program. If the total amount of the separate payment term is exceeded from what was approved under this preprint or, the payment methodology is changed from the approved preprint, CMS requires the state to submit a state directed payment preprint amendment. Please note that if the separate payment term amount documented within the rate certification exceeds the separate payment term amount approved under the preprint, then the state will be required to submit a rate certification amendment to address the inconsistencies between the rate certification and the approved preprint.

As part of the review process for state directed payments, CMS has required states to demonstrate that the state directed payments result in provider payment rates that are reasonable, appropriate, and attainable. To do this, CMS has required an analysis from states to understand the relative effect of the state directed payment(s) on reimbursement for each service type and each provider class receiving the state directed payment(s) using a standard measure such as Medicare, Medicaid state plan FFS rates, or Average Commercial Rate (ACR). CMS is able to approve this preprint with the condition that the state provide a provider payment analysis should the state pursue this payment arrangement in a subsequent rating period. Please contact statedirectedpayment@cms.hhs.gov if the state requires technical assistance.

Finally, CMS is able to approve this preprint with a requirement that the state provide an evaluation strategy should the state submit the preprint for prior approval under 42 CFR 438.6(c) in subsequent rating periods. The evaluation plan must include:

- a. The target that the state is setting for the identified measure(s) to determine if this payment arrangement has been effective in furthering the identified goal and/or objective in the Quality Strategy; and
- b. The party that will be conducting the evaluation (e.g. EQRO or state staff).

If you have questions concerning this approval or state directed payments in general, please contact StateDirectedPayment@cms.hhs.gov.

Sincerely,

John Giles, MPA
Director, Division of Managed Care Policy
Center for Medicaid and CHIP Services

Section 438.6(c) Preprint

42 C.F.R. § 438.6(c) provides States with the flexibility to implement delivery system and provider payment initiatives under MCO, PIHP, or PAHP Medicaid managed care contracts (i.e., state directed payments). 42 C.F.R. § 438.6(c)(1) describes types of payment arrangements that States may use to direct expenditures under the managed care contract. Under 42 C.F.R. § 438.6(c)(2)(ii), contract arrangements that direct an MCO's, PIHP's, or PAHP's expenditures under paragraphs (c)(1)(i) through (c)(1)(ii) and (c)(1)(iii)(B) through (D) must have written approval from CMS prior to implementation and before approval of the corresponding managed care contract(s) and rate certification(s). This preprint implements the prior approval process and must be completed, submitted, and approved by CMS before implementing any of the specific payment arrangements described in 42 C.F.R. § 438.6(c)(1)(i) through (c)(1)(ii) and (c)(1)(iii)(B) through (D). Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules using State plan approved rates as defined in 42 C.F.R. § 438.6(a).

Submit all state directed payment preprints for prior approval to:
StateDirectedPayment@cms.hhs.gov.

15. Use the checkboxes below to make the following assurances:

- a. In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(A), the state directed payment arrangement makes participation in the value-based purchasing initiative, delivery system reform, or performance improvement initiative available, using the same terms of performance, to the class or classes of providers (identified below) providing services under the contract related to the reform or improvement initiative.
- b. In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(B), the payment arrangement makes use of a common set of performance measures across all of the payers and providers.
- c. In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(C), the payment arrangement does not set the amount or frequency of the expenditures.
- d. In accordance with 42 C.F.R. § 438.6(c)(2)(iii)(D), the payment arrangement does not allow the State to recoup any unspent funds allocated for these arrangements from the MCO, PIHP, or PAHP.

SUBSECTION IIB: STATE DIRECTED FEE SCHEDULES:

This section must be completed for all state directed payments that are fee schedule requirements. This section does not need to be completed for state directed payments that are VBP or DSR.

16. Please check the type of state directed payment for which the State is seeking prior approval. Check all that apply; if none are checked, proceed to Section III.

- c. Uniform Dollar or Percentage Increase (42 C.F.R. § 438.6(c)(1)(iii)(C))

¹ Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules that use State plan approved rates as defined in 42 C.F.R. § 438.6(a).

17. If the State is seeking prior approval of a fee schedule (options a or b in Question 16):

- a. Check the basis for the fee schedule selected above.
 - i. The State is proposing to use a fee schedule based on the **State-plan approved rates** as defined in 42 C.F.R. § 438.6(a).²
 - ii. The State is proposing to use a fee schedule based on the **Medicare or Medicare-equivalent rate**.
 - iii. The State is proposing to use a fee schedule based on an **alternative fee schedule established by the State**.
 1. If the State is proposing an alternative fee schedule, please describe the alternative fee schedule (e.g., 80% of Medicaid State-plan approved rate)
- b. Explain how the state determined this fee schedule requirement to be reasonable and appropriate.

18. If using a maximum fee schedule (option b in Question 16), please answer the following additional questions:

- a. Use the checkbox to provide the following assurance: In accordance with 42 C.F.R. § 438.6(c)(1)(iii)(C), the State has determined that the MCO, PIHP, or PAHP has retained the ability to reasonably manage risk and has discretion in accomplishing the goals of the contract.
- b. Describe the process for plans and providers to request an exemption if they are under contract obligations that result in the need to pay more than the maximum fee schedule.
- c. Indicate the number of exemptions to the requirement:
 - i. Expected in this contract rating period (estimate)
 - ii. Granted in past years of this payment arrangement
- d. Describe how such exemptions will be considered in rate development.

² Please note, per the 2020 Medicaid and CHIP final rule at 42 C.F.R. § 438.6(c)(1)(iii)(A), States no longer need to submit a preprint for prior approval to adopt minimum fee schedules that use State plan approved rates as defined in 42 C.F.R. § 438.6(a).

19. If the State is seeking prior approval for a uniform dollar or percentage increase (option c in Question 16), please address the following questions:

- a. Will the state require plans to pay a uniform dollar amount **or** a uniform percentage increase? (*Please select only one.*)
- b. What is the magnitude of the increase (e.g., \$4 per claim or 3% increase per claim?)
- c. Describe how will the uniform increase be paid out by plans (e.g., upon processing the initial claim, a retroactive adjustment done one month after the end of quarter for those claims incurred during that quarter).
- d. Describe how the increase was developed, including why the increase is reasonable and appropriate for network providers that provide a particular service under the contract

SECTION III: PROVIDER CLASS AND ASSESSMENT OF REASONABLENESS

20. In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(B), identify the class or classes of providers that will participate in this payment arrangement by answering the following questions:

If the provider class is defined in the State Plan, please provide a link to or attach the applicable State Plan pages to the preprint submission. Provider classes cannot be defined to only include providers that provide intergovernmental transfers.
- 21.** In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(B), describe how the payment arrangement directs expenditures equally, using the same terms of performance, for the class or classes of providers (identified above) providing the service under the contract.
- 22.** For the services where payment is affected by the state directed payment, how will the state directed payment interact with the negotiated rate(s) between the plan and the provider? Will the state directed payment:
- a. Replace the negotiated rate(s) between the plan(s) and provider(s).
 - b. Limit but not replace the negotiated rate(s) between the plans(s) and provider(s).
 - c. Require a payment be made in addition to the negotiated rate(s) between the plan(s) and provider(s).
- 23.** For payment arrangements that are intended to require plans to make a payment in addition to the negotiated rates (as noted in option c in Question 22), please provide an analysis in Table 2 showing the impact of the state directed payment on payment levels for each provider class. This provider payment analysis should be complete distinctly for each service type (e.g., inpatient hospital services, outpatient hospital services, etc.).
- This should include an estimate of the base reimbursement rate the managed care plans pay to these providers as a percent of Medicare, or some other standardized measure, and the effect the increase from the state directed payment will have on total payment. *Ex: The average base payment level from plans to providers is 80% of Medicare and this SDP is expected to increase the total payment level from 80% to 100% of Medicare.*

- c. Other; Please define:

25. Does the State also require plans to pay any other state directed payments for providers eligible for the provider class described in Question 20b? Yes No

If yes, please provide information requested under the column "Other State Directed Payments" in Table 2.

- 26.** Does the State also require plans to pay pass-through payments as defined in 42 C.F.R. § 438.6(a) to any of the providers eligible for any of the provider class(es) described in Question 20b? Yes No

If yes, please provide information requested under the column “Pass-Through Payments” in Table 2.

SECTION IV: INCORPORATION INTO MANAGED CARE CONTRACTS

- 29.** States must adequately describe the contractual obligation for the state directed payment in the state's contract with the managed care plan(s) in accordance with 42 C.F.R. § 438.6(c). Has the state already submitted all contract action(s) to implement this state directed payment? Yes No

a. If yes:

- i.** What is/are the state-assigned identifier(s) of the contract actions provided to CMS?
- ii.** Please indicate where (page or section) the state directed payment is captured in the contract action(s).

b. If no, please estimate when the state will be submitting the contract actions for review.

SECTION V: INCORPORATION INTO THE ACTUARIAL RATE CERTIFICATION

Note: Provide responses to the questions below for the first rating period if seeking approval for multi-year approval.

30. Has/Have the actuarial rate certification(s) for the rating period for which this state directed payment applies been submitted to CMS? Yes No

Please note, states and actuaries should consult the most recent [Medicaid Managed Care Rate Development Guide](#) for how to document state directed payments in actuarial rate certification(s). The actuary’s certification must contain all of the information outlined; if all required documentation is not included, review of the certification will likely be delayed.)

c. If not currently captured in the State’s actuarial certification submitted to CMS, note that the regulations at 42 C.F.R. § 438.7(b)(6) requires that all state directed payments are documented in the State’s actuarial rate certification(s). CMS will not be able to approve the related contract action(s) until the rate certification(s) has/have been amended to account for all state directed payments. Please provide an estimate of when the State plans to submit an amendment to capture this information.

31. Describe how the State will/has incorporated this state directed payment arrangement in the applicable actuarial rate certification(s) (please select one of the options below):

- a. An adjustment applied in the development of the monthly base capitation rates paid to plans.
- b. Separate payment term(s) which are captured in the applicable rate certification(s) but paid separately to the plans from the monthly base capitation rates paid to plans.
- c. Other, please describe:

32. States should incorporate state directed payment arrangements into actuarial rate certification(s) as an adjustment applied in the development of the monthly base capitation rates paid to plans as this approach is consistent with the rate development requirements described in 42 C.F.R. § 438.5 and consistent with the nature of risk-based managed care. For state directed payments that are incorporated in another manner, particularly through separate payment terms, provide additional justification as to why this is necessary and what precludes the state from incorporating as an adjustment applied in the development of the monthly base capitation rates paid to managed care plans.

33. In accordance with 42 C.F.R. § 438.6(c)(2)(i), the State assures that all expenditures for this payment arrangement under this section are developed in accordance with 42 C.F.R. § 438.4, the standards specified in 42 C.F.R. § 438.5, and generally accepted actuarial principles and practices.

SECTION VI: FUNDING FOR THE NON-FEDERAL SHARE

- c. Provide information or documentation regarding any written agreements that exist between the State and healthcare providers or amongst healthcare providers and/or related entities relating to the non-federal share of the payment arrangement. This should include any written agreements that may exist with healthcare providers to support and finance the non-federal share of the payment arrangement. Submit a copy of any written agreements described above.

36. For any state directed payments funded by provider taxes/assessments (option c in Question 34),

- a. Is the donation bona-fide? Yes No
- b. Does it contain a hold harmless arrangement to return all or any part of the donation to the donating entity, a related entity, or other provider furnishing the same health care items or services as the donating entity within the class?
 Yes No

38. **For all state directed payment arrangements**, use the checkbox to provide an assurance that in accordance with 42 C.F.R. § 438.6(c)(2)(ii)(E), the payment arrangement does not condition network provider participation on the network provider entering into or adhering to intergovernmental transfer agreements.

SECTION VII: QUALITY CRITERIA AND FRAMEWORK FOR ALL PAYMENT ARRANGEMENTS

- 39.** Use the checkbox below to make the following assurance, “In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(C), the State expects this payment arrangement to advance at least one of the goals and objectives in the quality strategy required per 42 C.F.R. § 438.340.”
- 40.** Consistent with 42 C.F.R. § 438.340(d), States must post the final quality strategy online beginning July 1, 2018. Please provide:
- a.** A hyperlink to State’s most recent quality strategy:
 - b.** The effective date of quality strategy.
- 41.** If the State is currently updating the quality strategy, please submit a draft version, and provide:
- a.** A target date for submission of the revised quality strategy (month and year):
 - b.** Note any potential changes that might be made to the goals and objectives.

Note: The State should submit the final version to CMS as soon as it is finalized. To be in compliance with 42 C.F.R. § 438.340(c)(2) the quality strategy must be updated no less than once every 3-years.

42. To obtain written approval of this payment arrangement, a State must demonstrate that each state directed payment arrangement expects to advance at least one of the goals and objectives in the quality strategy. In the Table 7 below, identify the goal(s) and objective(s), as they appear in the Quality Strategy (include page numbers), this payment arrangement is expected to advance. If additional rows are required, please attach.

43. Describe how this payment arrangement is expected to advance the goal(s) and objective(s) identified in Table 7. If this is part of a multi-year effort, describe this both in terms of this year’s payment arrangement and in terms of that of the multi-year payment arrangement.

44. Please complete the following questions regarding having an evaluation plan to measure the degree to which the payment arrangement advances at least one of the goals and objectives of the State's quality strategy. To the extent practicable, CMS encourages States to utilize existing, validated, and outcomes-based performance measures to evaluate the payment arrangement, and recommends States use the [CMS Adult and Child Core Set Measures](#), when applicable.

- a.** In accordance with 42 C.F.R. § 438.6(c)(2)(ii)(D), use the checkbox to assure the State has an evaluation plan which measures the degree to which the payment arrangement advances at least one of the goals and objectives in the quality strategy required per 42 C.F.R. § 438.340, and that the evaluation conducted will be *specific* to this payment arrangement. *Note:* States have flexibility in how the evaluation is conducted and may leverage existing resources, such as their 1115 demonstration evaluation if this payment arrangement is tied to an 1115 demonstration or their External Quality Review validation activities, as long as those evaluation or validation activities are *specific* to this payment arrangement and its impacts on health care quality and outcomes).

- b.** Describe how and when the State will review progress on the advancement of the State’s goal(s) and objective(s) in the quality strategy identified in Question 42. For each measure the State intends to use in the evaluation of this payment arrangement, provide in Table 8 below: 1) the baseline year, 2) the baseline statistics, and 3) the performance targets the State will use to track the impact of this payment arrangement on the State’s goals and objectives. Please attach the State’s evaluation plan for this payment arrangement.

1. If the State will deviate from the measure specification, please describe here. If a State-specific measure will be used, please define the numerator and denominator here. Additionally, describe any planned data or measure stratifications (for example, age, race, or ethnicity) that will be used to evaluate the payment arrangement.

- c. If this is any year other than year 1 of a multi-year effort, describe (or attach) prior year(s) evaluation findings and the payment arrangement's impact on the goal(s) and objective(s) in the State's quality strategy. Evaluation findings must include 1) historical data; 2) prior year(s) results data; 3) a description of the evaluation methodology; and 4) baseline and performance target information from the prior year(s) preprint(s) where applicable. If full evaluation findings from prior year(s) are not available, provide partial year(s) findings and an anticipated date for when CMS may expect to receive the full evaluation findings.
