---

Good afternoon,

This email was sent originally on 12/17/2020, however we are resending due to a high volume of returned emails.

Sincerely,  
CMS MDR Operations

The information in this response is limited to and based upon the facts described in this email and any attachments provided and our understanding of the facts as described in the emails and attachments submitted. If a subsequent review by CMS, by the Office of Inspector General, or another authorized government agency determines or reveals that additional adjustments or revisions are necessary, the manufacturer is responsible for complying with that determination. This response cannot be considered an advisory opinion under section 1128D(b) of the Social Security Act, since only the Inspector General of the U.S. Department of Health and Human Services has been authorized to issue advisory opinions relating to health care fraud and abuse under that section. This response should not be interpreted as acquiescence by the Government to the arrangements described herein. Further, this response is not a release of any liability.

**Subject:** (Manufacturer Invoice Contacts) .CSV File Format Examples / Additional MDRP MDP System Information

**Importance:** High

Dear Manufacturer Technical and Invoice Contacts:

Throughout 2020, CMS sent out several state and manufacturer emails introducing the updated MDP file formats/data definitions, which started with an initial email on March 9, 2020, and followed with subsequent emails on June 18, 2020, September 1, 2020, and October 27, 2020. We are currently working to post all of these updated MDP formats (effective July 1, 2021), as well as all the current file formats, to our MDRP Medicaid.gov page for easy reference. We anticipate these being posted to Medicaid.gov shortly after the New Year, and will send out a notification email and provide you with the specific Medicaid.gov link(s) when they are available.

We have additionally received requests asking for excel .CSV file formats, which we have created and attached to this email (which will also be posted to Medicaid.gov):

- MDP CMS Form-367a Quarterly Pricing\_CSV\_07.2021
- MDP CMS Form-367b Monthly Pricing\_CSV\_07.2021
- MDP CMS Form-367c Product Data\_CSV\_07.2021

Please note that since the Reconciliation of State Invoice - ROSI (CMS-304), Prior Period Adjustment Statement - PQAS (CMS-304a), and the State Invoice (R-144) are exchanged between states and labelers, and not CMS, those .CSV file formats have not been included. The attached .CSV files formats have been created as a courtesy, and if you opt to use .CSV in lieu of .TXT, we would suggest that you reach out to your respective IT counterparts to ensure the accuracy and compatibility of your .CSV files and your system.

Additionally, in lieu of sending out test files, we are planning to open up our MDP test environment for states and manufacturers to practice uploading sample files they have created. We are also intend to host state and manufacturer webinars. We are in the process of planning all the logistics and will provide additional updates as we get closer to the July 1, 2021 target implementation date.

Please direct any questions regarding MDP or the revised file formats to [MDROperations@cms.hhs.gov](mailto:MDROperations@cms.hhs.gov).

Sincerely,  
CMS MDR Operations
