Re: Acceptance of Award and Special Terms and Conditions - Delaware Diamond State Health Plan Demonstration Project Number Project Number 11-W-00036/4

Dear Ms. Boone-Massey:

After reviewing the approval package sent by CMS on May 17, 2024, the State of Delaware Division of Medicaid and Medical Assistance, acknowledges and accepts CMS award and special terms and conditions (STCs) for the above-referenced demonstration waiver pursuant to section 1115 of the Social Security Act, Project Number 11-W-00036/4, to address new initiatives to assist the state in improving health coverage, access, and consistent provision of high-quality services for Medicaid beneficiaries, all while advancing health equity among its beneficiary populations. Please be aware when the waiver was approved in 2018, part of the service definition for “Community-based residential alternatives supports that exclude assisted living” in Attachment D was dropped, which contains the full PROMISE service definitions and this needs to be corrected. DMMA appreciates CMS' s partnership in the review of this demonstration amendment.

If you have any questions, please contact Andrew Wilson, Director, DMMA at Andrew.Wilson@Delaware.gov. Thank you.

Sincerely,

Andrew Wilson
Director
