Dear Director Lipman:

This letter is to inform you that the Centers for Medicare & Medicaid Services (CMS) has approved a temporary extension of the state's section 1115 demonstration, entitled "New Hampshire Substance Use Disorder Serious Mental Illness Serious Emotional Disturbance Treatment Access and Recovery Demonstration" (Project Numbers: 11-W-00321/1), in order to allow the state and CMS to continue negotiations over the state's demonstration extension application submitted on October 14, 2022. This demonstration will now expire July 31, 2024.

CMS' approval is conditioned upon the state's continued compliance with the special terms and conditions (STC) defining the nature, character, and extent of anticipated federal involvement in the project. The current STCs and expenditure authorities will continue to apply during the temporary extension of this demonstration. The state's current budget neutrality agreement and per member per month amounts (as of Demonstration Year 6) will continue to apply as described in the STCs, until July 31, 2024, or until the demonstration is extended, whichever is sooner.

For this temporary extension period, the state must continue to monitor its demonstration as stipulated in the current STCs. In addition, the state is required to include the temporary extension period in its demonstration evaluation. The state may choose to include the temporary extension period within its summative evaluation for the demonstration approval period beginning July 10, 2018. Alternatively, if CMS approves an extension beyond July 31, 2024, the state may choose to include this temporary extension period in the Evaluation Design and activities of the next full demonstration approval period.

Your CMS project officer for this demonstration is Kathleen O'Malley. She is available to answer any questions concerning your section 1115 demonstration. Kathleen can be reached at Kathleen.OMalley@cms.hhs.gov. If you have questions regarding this communication, please contact me at (443) 257-5069.

Sincerely,

Jacey K. Cooper
