Re: **SoonerCare 1115(a) Research and Demonstration Waiver Amendment
Request: SoonerSelect Amendment**

Dear Mr. Scott:

The State formally requests to withdraw the SoonerCare 1115(a) SoonerSelect waiver amendment submitted to CMS on February 19, 2021. The amendment requested to enroll the expansion adult group and former foster care group under the Demonstration, include waiver of retroactive eligibility for the expansion adult group, and implement SoonerSelect. The State is withdrawing the waiver request in its entirety from CMS review.

The Oklahoma Health Care Authority appreciates the time and efforts dedicated to this endeavor by CMS and looks forward to our continued work together to transform Oklahoma's delivery system as well as other new state initiatives.

Sincerely,

Traylor Rains
State Medicaid Director
