Dear Director Sousa:

The Centers for Medicare & Medicaid Services (CMS) received Rhode Island's request to incorporate an addendum to the state's section 1115(a) demonstration extension request, entitled "Rhode Island Comprehensive Demonstration" (Project Number: 11-W-00242/1), submitted on May 23, 2024, in accordance with 431.412(c)(3). We have completed a preliminary review of Rhode Island's demonstration extension application addendum and have determined the demonstration extension addendum is complete.

Rhode Island's addendum request will be posted on Medicaid.gov for a 30-day federal public comment period, in accordance with 431.416(b)(1). The state's demonstration extension application addendum will be available at: <https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/index.html>.

We look forward to working with you and your staff on this demonstration extension addendum. If you have questions regarding the section 1115 review process, please contact your CMS project officer, Kathleen O'Malley at Kathleen.OMalley@cms.hhs.gov.

Sincerely,
