Dear Director Strohecker:

On June 25, 2024, the Centers for Medicare & Medicaid Services (CMS) received Utah's requests to amend the state's section 1115 demonstration entitled, "Medicaid Reform 1115 Demonstration" (Project Nos. 11-W-00145/8 and 21-W-00054/8), to provide health related social needs (HRSN) services to additional groups of qualified Medicaid members. The state also requested to change the eligibility requirements for fertility preservation services for individuals diagnosed with cancer.

We have completed a preliminary review of your amendment requests in accordance with the Special Terms and Conditions (STCs) and have determined that the state's amendment requests have met the requirements for a complete amendment as specified under STC 3.7. The amendment applications will be posted on Medicaid.gov for a 30-day federal comment period at: <https://www.medicaid.gov/medicaid/section-1115-demo/demonstration-and-waiver-list/index.html>.

If you have questions regarding the section 1115 demonstration amendment process, please contact your CMS project officer Julia Buschmann, at [Julia.Buschmann@cms.hhs.gov](mailto:Julia.Buschmann@cms.hhs.gov).

Sincerely,

7/2/2024
