Re: Arizona State Plan Amendment (SPA) – 24-0006

Dear Director Heredia:

The Centers for Medicare & Medicaid Services (CMS) reviewed your Medicaid State Plan Amendment (SPA) submitted under transmittal number (TN) 24-0006. This amendment proposes to add coverage for doula services.

We conducted our review of your submittal according to statutory requirements in Title XIX of the Social Security Act and implementing regulations. This letter informs you that Arizona's Medicaid SPA TN 24-0006 was approved on September 23, 2024, with an effective date of October 1, 2024.

Enclosed are copies of Form CMS-179 and approved SPA pages to be incorporated into the Arizona State Plan.

If you have any questions, please contact Brian Zolynas at (206) 615-2742 or via email at Brian.Zolynas@cms.hhs.gov.

Sincerely,

13b. Screening services.

Coverage is available for evidence-based medically necessary screening services for children based on guidelines from the American Academy of Pediatrics and CDC/IACIP for immunizations.

Coverage is available for evidence-based medically necessary screening services for adults which are based, in part, on guidelines from the U.S. Preventive Services Task Force.

13c. Preventive services.

Coverage is available for evidence-based medically necessary preventive services. Services must be recommended by a physician or other licensed practitioner of the healing arts acting within the scope of authorized practice under State law to (1) prevent disease, disability, and other health conditions, (2) prolong life; and (3) Promote physical and mental health efficacy. Services for children are based on guidelines from the American Academy of Pediatrics and CDC/ACIP for immunizations. Services for adults are based, in part, on guidelines from the U.S. Preventive Services Task Force. In addition to the services specified under section 4106 of the Affordable Care Act, Arizona covers, without cost-sharing, services specified under PHS 2713 which is in alignment with the Alternative Benefit Plans.

Coverage is available for Diabetes Self-Management Training (DSMT) outpatient services. DSMT is a nationally recognized program that supports individuals with developing the knowledge and skills to self-care for their diabetes condition. DSMT consists of individual sessions or group sessions which may be furnished by a physician (MD or DO), Physician's Assistant, Registered Nurse Practitioner, or Registered Dietician. The services must be prescribed by a primary care practitioner in one of the following circumstances: 1) the member is initially diagnosed with diabetes or 2) the member was previously diagnosed with diabetes but a change has occurred in the member's diagnosis, medical condition or treatment regimen or the member is not meeting appropriate clinical outcomes. DSMT services are limited to 10 hours, annually. Beneficiaries of the EPSDT benefit may receive services in excess of the 10-hour limitation.

Community Health Worker Services

Arizona state certified Community Health Workers (CHW) may provide AHCCCS-covered patient education and preventive services to individuals with a chronic condition or at risk for a chronic condition or for individuals with a documented barrier that is affecting the individual's health. CHW services must be recommended by a physician or other licensed practitioner of the healing arts acting within the scope of authorized practice under State law. Services must be documented in the member's medical record and may include:

- Health system navigation and resource coordination,
- Health education and training. The purpose of this service is to train and/or increase the member's awareness of methods and measures that have been proven effective in avoiding illness and/or lessening its effects. The content of the education must be consistent with established or recognized healthcare standards, or
- Health promotion and coaching. The purpose of this service is to provide information and training to members that enables them to make positive contributions to their health status.

Certified Doula Services

Arizona state certified doulas are trained nonmedical professionals who may provide AHCCCS-covered patient education and preventive services to pregnant women and their families before, during, and after childbirth. Doula services must be recommended by a physician or other licensed practitioner of the healing arts acting within the scope of authorized practice under State law. Services must be documented in the member's medical record and may include care coordination, social support, coaching, and emotional support. Amount, duration, and scope limitations are subject to medical necessity. There is not a minimum/maximum number of visits and limits may be exceeded based on medical necessity. Doula services include post-delivery visits.
