Re: Michigan State Plan Amendment (SPA) 24-0003

Dear Director Groen:

The Centers for Medicare & Medicaid Services (CMS) reviewed your State Plan Amendment (SPA) submitted under transmittal number (TN) 24-0003. This SPA provides authority to expand eligibility for Group D Targeted Case Management to beneficiaries age 21 to 26, as well as to beneficiaries over age 26 with inherited red blood cell disorders.

We conducted our review of your submittal according to the statutory requirements at Section 1937 of the Social Security Act and 42 CFR 440.60. We hereby inform you that Medicaid State plan amendment 24-0003 is approved effective April 1, 2024. We are enclosing the CMS-179 and the amended plan pages.

If you have any questions, please contact Keri Toback at 312-353-1754 or via email at keri.toback@cms.hhs.gov.

Sincerely.

James G. Scott, Director Division of Program Operations

Voluntary Benefit Package Selection Assurances - Eligibility Group under Section 1902(a)(10)(A) (i)(VIII) of the Act ABP2a

The state/territory has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 requirements. Therefore the state/territory is deemed to have met the requirements for voluntary choice of benefit package for individuals exempt from mandatory participation in a section 1937 Alternative Benefit Plan.

Yes

Explain how the state has fully aligned its benefits in the Alternative Benefit Plan using Essential Health Benefits and subject to 1937 requirements with its Alternative Benefit Plan that is the state's approved Medicaid state plan that is not subject to 1937 requirements.

The benefits offered via the Healthy Michigan Plan are equal to or greater than the benefits offered via the approved Michigan Medicaid State plan, therefore per CMS guidance, the benefit packages are considered to be in alignment. For this eligibility group, the state will cover additional habilitative and comprehensive preventive services as described in ABP5.

For any Home and Community Based Services benefits as permitted in 1915(i) in ABP 5, the state assures that:

- 1. The service(s) are provided in settings that meet HCB setting requirements;
- The services(s) meet the person-centered service planning requirements;
- 3. Individuals receiving these services meet the state-established needs-based criteria that are not related solely to age, disability, or diagnosis, and are less stringent than criteria for entry into institutions. Services can be accessed as needed, even if the individuals have needs that are below institutional level of care.

Otherwise, skip to the Prescription Drug Coverage Assurances below. The alternative benefit plan includes beneficiaries under 21 years of age. Yes The state/territory assures that the notice to an individual includes a description of the method for ensuring access to EPSDT services (42 CFR 440.345). The state/territory assures EPSDT services will be provided to individuals under 21 years of age who are covered under the state/ territory plan under section 1902(a)(10)(A) of the Act. Indicate whether EPSDT services will be provided only through an Alternative Benefit Plan or whether the state/territory will provide additional benefits to ensure EPSDT services: Through an Alternative Benefit Plan. Through an Alternative Benefit Plan with additional benefits to ensure EPSDT services as defined in 1905(r). Other Information regarding how ESPDT benefits will be provided to participants under 21 years of age (optional): Prescription Drug Coverage Assurances The state/territory assures that it meets the minimum requirements for prescription drug coverage in section 1937 of the Act and implementing regulations at 42 CFR 440.347. Coverage is at least the greater of one drug in each United States Pharmacopeia (USP) category and class or the same number of prescription drugs in each category and class as the base benchmark. The state/territory assures that procedures are in place to allow a beneficiary to request and gain access to clinically appropriate prescription drugs when not covered. The state/territory assures that when it pays for outpatient prescription drugs covered under an Alternative Benefit Plan, it meets the requirements of section 1927 of the Act and implementing regulations at 42 CFR 440.345, except for those requirements that are directly contrary to amount, duration and scope of coverage permitted under section 1937 of the Act. The state/territory assures that when conducting prior authorization of prescription drugs under an Alternative Benefit Plan, it complies with prior authorization program requirements in section 1927(d)(5) of the Act. Other Benefit Assurances The state/territory assures that substituted benefits are actuarially equivalent to the benefits they replaced from the base benchmark plan, and that the state/territory has actuarial certification for substituted benefits available for CMS inspection if requested by CMS. The state/territory assures that individuals will have access to services in Rural Health Clinics (RHC) and Federally Qualified Health Centers (FQHC) as defined in subparagraphs (B) and (C) of section 1905(a)(2) of the Social Security Act. The state/territory assures that payment for RHC and FQHC services is made in accordance with the requirements of section

O Services managed under an administrative services organization (ASO) arrangement

Please describe this fee-for-service delivery system, including any bundled payment arrangements, pay for performance, fee-for-service care management models/non-risk, contractual incentives as well as the population served via this delivery system.

The current state plan incorporates several fee-for-service payment methodologies for various types of services and/or providers.

- Fixed fee screen: payment rates are established as a fee screen for each procedure or service for individual practitioners, clinic services, home health services, equipment and appliances, medical supplies, dentures, and prosthetic devices.
- Outpatient Prospective Payment System: Outpatient hospital services and ambulatory surgical centers are reimbursed generally in accordance with Medicare's Outpatient Prospective Payment System (OPPS) with an applied state specific conversion factor.
- DRG grouper pricing: Inpatient hospital services are reimbursed utilizing this methodology. Special pools for certain hospitals are created for institutions meeting certain criteria.
- Cost-reporting and/or facility class designation: Nursing facility services, school based services, and certain other facility services on a per diem or per service basis.
- Prospective Payment Systems (PPS): FQHCs, RHCs and certain other clinics are reimbursed through a Prospective Payment or alternative payment methodology utilizing cost settlement arrangements.

Additional Information: Fee-For-Service (Optional)

Provide any additional details regarding this service delivery system (optional):

Services that are carved out of the MCO and PIHP delivery systems and currently reimbursed through FFS include, but are not limited to, the following: personal care services (Home Help), Maternal Infant Health Program prevention services, school based services, long term nursing facility services, certain transportation services, and specified psychotropic pharmacological products. Specific contract provisions with the MCOs and PIHPs prevail.

Services provided under the ABP to beneficiaries not yet enrolled in a Medicaid Health Plan due to applicable plan enrollment procedures will be reimbursed under the fee-for-service payment methodologies consistent with current approved state waiver processes.
