RE: Missouri Medicaid State Plan Amendment TN: 22-0024

Dear Ms. Tidball:

We have reviewed the proposed amendment to Attachment 4.19-D of your Medicaid State plan submitted under transmittal number (TN) 22-0024. This Medicaid State Plan Amendment (SPA) provides for the continuation of the SFY 2022 per diem increase to nursing facility and HIV nursing facility per diem reimbursement rates of ten dollars and eighteen cents (\$10.18) that was implemented for dates of service beginning July 1, 2021. This amendment will continue to provide additional reimbursement to nursing facilities for increases in costs associated with staffing, supplies, social distancing standards, and other factors due to the COVID-19 national emergency.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(2), 1902(a)(13), 1902(a)(30), and 1903(a) of the Social Security Act and the implementing Federal regulations at 42 CFR 447 Subpart C. This is to inform you that Medicaid State plan amendment is approved effective July 1, 2022. We are enclosing the CMS-179 and the amended plan pages.
