Effective October 1, 2022, the minimum wage for a home care aide will be increased by two dollars and applicable fringe, and effective October 1, 2023 it will be increased by an additional dollar and applicable fringe for a total of three dollars and applicable fringe.

Minimum Wage Reconciliation - After the end of each calendar year, the Department of Health will survey providers to obtain the following information for the purpose of reconciling annual minimum wage reimbursement. The state will release the reconciliation survey by the end of March and providers will have two weeks to complete the survey or request an extension if a provider determines it is unable to complete the survey within that time. Approval of extensions, and the time of the extension, is at the discretion of the state. If the reconciliation survey is not submitted within the two weeks or within the extension time frame, should one be granted, the provider's minimum wage add-on for the calendar year covered by the survey will be recouped.

- i. Total annual minimum wage funding paid to the provider (as determined from the minimum wage add-on to claims paid for services rendered in the prior calendar year) for the Medicaid share of the minimum wage law increase requirement. (This information will be supplied by the Department of Health.) Medicaid's share is the percentage of minimum wage costs that are attributable to Medicaid services based on the proportion of Medicaid services to a provider's total services.
- ii. Medicaid's share of the total amount the provider was obligated to pay to bring salaries up to the minimum wage for the calendar year. (This information will be completed by the provider.)
- iii. Minimum wage funds to be recouped or additional funds to be received by the provider. (This information will be completed by the provider.) This will be the difference between the amount paid to the provider for the Medicaid share of the minimum wage law increase requirement and the corresponding amount the provider determined it was actually obligated to pay.
