23. REMARKS:			

**1. Physicians and Other Practitioners (continued)**

- (f) When a procedure code is nationally discontinued, a replacement procedure code is nationally assigned for the discontinued procedure code, and Medicaid implements the replacement procedure code, a state plan amendment will not be submitted since the fee for the service has not changed.
- (g) To ensure access to care and prompt provider reimbursement, when a new national procedure code is assigned to a physician-administered drug or biological product, a preliminary reimbursement rate will be established by the Texas Health and Human Services Commission (HHSC) based on the published Medicare reimbursement rate; or the average wholesale price (AWP) in the absence of a Medicare reimbursement rate for the procedure code or the comparable code. In accordance with 42 CFR §447.205(b)(1), a public notice and state plan amendment will not be submitted for this preliminary reimbursement rate. This will allow the new procedure code to be payable as the reimbursement process is completed with a public notice published and a state plan amendment submitted.
- (h) All fee schedules are available through the agency's website, as outlined on Attachment 4.19-B, page 1.
- (i) The agency's fee schedule was revised with new fees for services provided by physicians and other practitioners affiliated with tuberculosis clinics or employed by tuberculosis clinics, effective July 1, 2018, and this fee schedule was posted on the agency's website on July 6, 2018.
- (j) The agency's fee schedule was revised with new fees for therapy assistants. Effective September 1, 2019, the reimbursement for therapy assistants will equal 80 percent of the payment to a therapist.
- (k) The agency's fee schedule was revised with new fees to include peer specialists effective January 1, 2019, and this fee schedule was posted on the agency's website on January 7, 2019.
- (l) The agency's fee schedule was revised with new fees for physicians and other practitioners effective April 1, 2020, and this fee schedule was posted on the agency's website on April 15, 2020.
